**15.Multidisciplinary / interdisciplinary**

Ours is a Govt. college affiliated to Shaheed Nandkumar Patel Vishwavidyalaya, Raigarh (C.G.). Being a Govt. college, we are bound to follow the rules, regulations, and guidelines prepared and provided by the Department of Higher Education, Chhattisgarh Govt. So far nothing substantial has happened in this regard. The preparation of the road map for the implementation of the new education policy is still under process at a higher level. However, the meeting of the Central Board of Studies for various subjects at the UG and PG level has been conducted and the syllabus has been designed by the concerned BoS. As and when the instructions are received from the higher authorities, the institution is bound to abide by the multidisciplinary/interdisciplinary framework of NEP. The multidisciplinary/interdisciplinary pattern provisioned in the NEP will open up a new pathway to acquire knowledge and skill from more liberal and opened up venues available to the students. The institution is gearing up to prepare itself when notification in this regard is issued to the colleges by the affiliating University or Department of Higher Education.

**16.Academic bank of credits (ABC):**

The academic bank of credits (ABC) is an innovative part of NEP which facilitated multiple entries and multiple exits in the academic programme it functions in a line of the NAD. It has been established with the idea to earn and deposit credit and also transfer it. The institution has not yet registered itself to NAD. The college will abide by the curriculum and framework devised by the affiliating University in this regard. The guidelines regarding ABC are still awaited. However, the institution has started registering students with DigiLocker so that they can use this wallet to keep their documents and educational certificates.

**17.Skill development:**

In the present scenario of globalization, there is tough competition in the job market. Along with the imparting knowledge to the students, it has now become imperative to introduce skill development programmes/courses to equip students to face the challenges emerging in the field of employment. Keeping in mind the employment of the students, the institution has planned to

introduce the PGDCA programme in 2023 through self-finance at a low cost. Students from poor economic backgrounds are also allowed to pay the fee in two installments. The purpose is to develop the soft skills of the students and their application useful for obtaining employment in this field. In addition, the institution also provides value-based education to the taught to inculcate healthy human values and life skills included in various courses of the affiliating University

#### **18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)**

Preservation of core values and promotion of Indian culture is one of the major concerns of the higher education institution. In a country like India which has multiculturalism and diversities and multilingualism, students are required to imbibe values in line with its cultural, social and environmental realities. Integration of the Indian knowledge system particularly teaching in Indian languages is important. The major languages used in teaching-learning in the institution are Hindi and English. Chhattisgarhi language has stemmed from Hindi. For the appropriation of knowledge, the regional language is employed, while framing the curriculum the regional art and culture are incorporated in the syllabus being prepared in view of the NEP 2020. To preserve and promote culture, one has to preserve and promote its language also. The faculty members are well versed in the regional language of the area and also in the language of its neighbouring state. Chhattisgarhi literature has also been incorporated in the courses of the various programmes of the affiliating universities.

#### **19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):**

The NEP 2020 focuses on outcome-based education, competency, and attainment of the targets. The expected outcomes of the courses and programmes have been prepared by the institution and uploaded on the institutional website for its stakeholders. The curriculum designed in the central BoS has focused on the outcome-based education and has allotted unit[1]wise credits. The annual result and the achievement of the students in the University merit list and their employment in various fields is a mark of the attainment of the objective. The institution is prepared to accomplish outcomes and achieve the target as per the newly developed structural curriculum to be provided by the affiliating University.

**20.Distance education/online education:**

During the spread of the Covid-19, it was a challenge, before the educational institution to engage students with their studies. The crisis was turned into an opportunity by the faculty members and online classes were effectively by them. It was new experience for both students and faculties. For the conduct of tests and University, exams blended mode was adopted. This way the pandemic period served as a prelude to our preparation for distance learning. The necessary equipment were purchased and wifi facilities were upgraded with 200 Mbps of speed. The institution serves as a centre for the private students who are not able to enroll themselves as regular students. Our aim is to spread Higher Education among the female folk of this backward region both through regular or distant modes of learning.

<b>CURRICULAR ASPECTS</b>	
<b>1.1 - Curricular Planning and Implementation</b>	
1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process	
For the effective delivery of the curriculum, we adhere strictly to the academic calendar issued by the higher education department at the beginning of the session. The college timetable is displayed on the notice board and is also held in the department.	

Students are allowed to have books from the central and departmental libraries. Teachers prepare modular monthly teaching plans for every paper and maintain a daily dairy-making record of their everyday teaching. The administration regularly supervises the classes. For the effective delivery of curriculum different classroom teaching methods are adopted such as the talk and chalk method, use of ICT, charts, and models, and distribution of notes to the students. It is mandatory for students to present in laboratories. Students are also encouraged to participate in group discussions and debates organized during the class; PG Students are to present papers in Departmental seminars to sharpen their skills in presentation and content development. Students are also required to complete project works in environmental studies papers at the UG level in which they have to visit the actual site to complete their project assignments. Internal assessment is conducted on regular basis to assess the growth and improvement of the students.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

**Response:** Internal assessment is an integral part of the continuous evaluation system of the institution. It's an important tool to measure the acquisition level of the students and the faculty to take necessary steps and to adopt reformative pedagogy to enhance the grasping level and interest of the students in the area of their weakness in a particular subject or topic. On the basis of the academic calendar, a schedule is prepared to conduct of internal assessment during the session. The timetable of the internal examination is notified to the students well in advance. At least three tests are mandatorily conducted. The concerned teachers of the subjects discuss the results with the students and their weak areas are mapped and necessary suggestions are given by the teachers for improvement. The analysis of the individual result provides data on the learning level of the students. The subject teachers cordially settle the grievances related to internal examination and their performance. Assignment submission, project submission, paper presentation in the departmental seminars, and conduct of viva-voce form part of this assessment

process. The internal examination is thoroughly transparent and has provision for grievance redressal.

**1.3 - Curriculum Enrichment****1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum**

The syllabi designed by the affiliating University give enough importance to the issues related to Gender, Human values, Environmental, and Sustainability. These cross-cutting issues are part of the teaching[1]learning process as it has been integrated into the various courses offered in a different programme offered by the institution. One of the most important parts is the concern for the environment. The University has introduced a compulsory course/paper on the studies of environment. The areas of its study are natural resources, eco system, biodiversity, pollution, waste management, and the social issues and the ethics related to the environment. Geography addresses the issue of man[1]environmental relations, human adaptation to the environment, global warming deforestation, climate change, pollution, etc.

English, Political Science, and Sociology subjects contain such topics that directly address the problem of gender, status of women and women empowerment, domestic violence and other crime against women, and also the various rights of women provisioned in the Indian constitution. As entrepreneurship, business management, business law, business regulatory framework, etc. form the part of the courses taught at commerce to develop highlight professional ethics.

Thus the courses covered under various programmes exhibit the institutional consciousness towards these crosscutting issues.

## 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

### Response:

Class XII scores are taken as the initial indicator of students' learning ability at the entry level. Further judgment in subsequent years is based on academic and other performance. Measures are taken accordingly. Steps taken for advanced learners:

1. Encouraged to make presentations, write papers and participate in international/national conferences/seminars/workshops
2. Students are involved in research projects taken up by faculty.
3. Students are motivated to take part to be part of innovation as making of the models in order to make more practical the science.
4. Provided hands-on training in using latest apparatus and techniques in laboratories.
5. Students are chosen as class representatives, giving them an opportunity to display their leadership skills.
6. Motivated to set high goals for themselves and counseled to prepare for entrance of SET/NET/PSC etc.

**Steps taken for slow learners:**

1. Efforts are made to identify the cause of their problem and appropriate solutions are worked out.
2. Teachers coordinate with parents of slow learners so that their needs can be catered.
3. Mentor-mentee interaction keeps faculty in constant touch with students and solve their problems personally
4. Academic problems are addressed in tutorial classes and suggestions for improvement are made.

**2.5 - Evaluation Process and Reforms**

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal assessment is an integral part of the continuous evaluation system of the institution. It's an important tool to measure the acquisition level of the students and the faculty to take necessary steps and to adopt reformative pedagogy to enhance the grasping level and interest of the students in the area of their weakness in a particular subject or topic. On the basis of the academic calendar, a schedule is prepared for the conduct of internal assessment during the session.

The timetable of the internal examination is notified to the students well in advance. At least three tests are mandatorily conducted. The concerned teachers of the subjects discuss the results with the students and their weak areas are mapped and necessary suggestions are given by the teachers for improvement. The subject teachers cordially settle the grievances related to internal examination and their performance. Assignment submission, project submission, paper presentation in the departmental seminars, and conduct of viva-voce form part of this assessment process. At the UG level, 10% of the total paper marks are allocated for internal examination whereas 20% of marks are allocated at the PG level.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The internal examination is thoroughly transparent and has provision for grievance redressal. During the Covid pandemic, the internal examinations were conducted in a blended model, following govt. Covid guidelines for the safety of the students. For the conduct of an internal examination, a committee is formed in the institution. The annual and semester examinations for UG and PG levels are conducted as per the University timetable prepared in three shifts - morning, noon, and evening. The superintendent, Asst. superintendent and other supporting staff are appointed by the University. During the exam, the grievances of the students are mostly settled by the shift superintendent and in case of any

criticality, it is looked into by the principal and the case is referred to the University for a timely resolution.

At PG level internal exams are the responsibility of the HOD, that is, the conduct of internal tests, seminars, and valuation of assignments. The common grievances are mostly related to drinking water, seating arrangements, toilet facility, and other amenities required during examination. The institution is watchful over such grievances and the principal and the senior professors are vigilant enough to settle the grievances at the earliest and to the satisfaction of the examinee.

## 2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

The institution offers 3 programmes at the UG level which includes B.Sc., B.A. and B.Com, programmes at the PG level- M.A.(Hindi), M.A.(History), M.A.(Economics), M.A.(Sociology), M.A.(Political Science), M.Sc. (Chemistry) and M.Com. the Programme Outcomes and Programme Specific Outcomes are accomplished through the curriculums for all the programmes offered in the institution, the departments prepare the Programmes Outcomes, Course Outcomes and Programme Specific Outcomes. These programmes have been framed and uploaded on the institutional website under the titles POs, COs and PSOs for the easy access of the stakeholders. Their uploading on the website would be beneficial for the stakeholders particularly the students and their guardians to judge and select a particular programme on the basis of their interest and the career possibilities offered by it. ### 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

Outcome-based education is a taught-oriented teaching and learning methodology in which the course delivery and assessment are planned in such a way to achieve the probable objectives and outcomes. It aims at measuring students' performance, that is, their outcomes at different levels. Various probable outcomes are defined for the programs offered at our institution and the concerned departments try to analyze and ascertain whether the outcomes are attained as specified after the examinations. The performance of the students and the teaching methodologies employed in the institution by the teachers for the delivery of the curriculum undergoes its litmus test when this performance is evaluated. The analysis of the results at the department level and the measures taken thereafter to bring about further improvement in the student's performance is a mark of our institutional concern to achieving the goal. A good number of students find various positions in the university merit list which is the mark of the attainment of program and course outcomes. To monitor the better attainment of the probable outcomes, the continuous assessment of the student's performance is of immense importance and helpful in improving the overall development of the students.

### 4.3 - IT Infrastructure

#### 4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

ICT learning has gradually become an integral part of our education system. It is helpful in promoting the digital culture in colleges and Universities. Our college is also equipped with ICT facilities including high speed wi-fi services available both for teachers and students. Two projectors has been permanently fixed, one in Seminar Hall and other in Zoology Lab. In addition to the personal laptops of the teachers, the institution has provided desktops/ laptops for the smooth conduct of classes and admin works. In the campus, we have 15computers for students and faculty. During the Covid-19 all the departments have conducting classes in online mode using Google meet, ZOOM, etc. as per the instructions and guidelines of the Government. Study materials as soft copy as well as hard copy is provided to the students by the faculty members. They are also guided by the faculty membersabout the availability of the study material on various educational sites on internet so that they can continue their study while staying at home. These facilities are upgraded in the institution as required from time to time. For surveillance and security purposes, high quality CCTV cameras have been installed in the pathways and other crucial locations which are monitored from the Principal's chamber

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The institution adopts a mechanism for maintenance and utilization of physical, academic and support facilities. The routine cleaning work in the labs and classrooms is done by the sweeper and office attendant appointed by the college. For maintenance of the library, we have book lifter who maintains the proper sequence and subject's wise keeping of the books and works under the supervision of librarian and professor in charge. The sports

complex is maintained by daily wages employees and casual laborers as and when required for maintenance of the campus. Sports officer is held responsible for conduct of indoors and out door games and maintenance of the sports ground and different courts. Extension of the facilities and equipment required in them is reported to the principal after verification. For the uninterrupted online services, the service provider company is called for its maintenance and expenditure is made through Govt. and Non Govt. funds. The NSS and NCC units are control and maintained by a professor in charge who is responsible for all their activities. The other physical, academic and support facilities are maintained by Janbhagidari fund and contingency allotment by the Govt.

The institution facilitates students' representation and engagement in various academic, administrative and co-curricular activities through a Student Union Body.

**Students Union:** The college has a committed Student Union. The Student Union Committee of the college organises the Students Union election/ nomination every year as per ordinance issued by the state government. The executive council of the union comprises a President, Vice-President, Secretary and Joint Secretary. They are assisted by Class Representatives (CR). As per the ordinance there are reservations for girls in the executive office bearers and class representatives.

**Administrative and Academic Responsibilities:** Besides representation in the Students' Union, student representatives in various committees like IQAC, Women cell etc. contribute in fulfilling administrative and academic responsibilities.

**Departmental Societies:** Student's Council in each PG department have elected/ nominated students as office bearers who coordinate with the teachers and students and assist the department in promoting academic and extracurricular activities.

Students are also engaged in activities that foster the spirit of community responsibility. NCC, NSS and Red Cross units of the college have been actively involved in organising community welfare activities like social health awareness drives, cleanliness drives and blood donation etc.. They also participate in programm to visit historical sites.

## 6.2 - Strategy Development and Deployment

### 6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

The institutional strategic and perspective plan is prepared and discussed in the staff council meeting based on the various inputs received from various stakeholders. The proposal passed in the various meetings is sent to the department of higher education for the allocation of budgets/funds. The infrastructural developments are also proposed for funds to UGC and RUSA. The local funds like JBS and AF are also utilized as per the prospective plans debated in the meetings of the staff council and IQAC. Apart from the physical development plans, the institution also prepares prospective plans for the academic excellence of the institution. The institution strives to attain excellence in every sphere with its devoted teaching and non-teaching staff. The institution adopts various strategies for the monitoring and evaluation of the institutional activities and performances which include regular meetings of the IQAC/Staff Council and other committees, obtaining feedback from stakeholders, shift-wise monitoring of the classes, regular visits of the principal to departments and staff room making interactions with the teachers and deployment of professors for managing and watching office activities. The provisioning of a mentor-mentee scheme is useful to look after the welfare and grievances related to the students.

#### 6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The institution is governed by the Department of Higher Education, Govt. of Chhattisgarh. Every year the Annual Confidential Report (ACR) is prepared by the Principal as of 31st March for teaching and non-teaching staff on basis of the evaluation of their performance throughout the year. The same is subsequently sent to the Additional Director regional office department of Higher Education for the assessment of employee's performance, finally, it is sent to the Department of Higher Education Chhattisgarh. The PBAS system is also employed to judge the performance of the teaching staff. Likewise, the performance of the non-teaching staff is also evaluated on the basis of their sincerity, loyalty, and work throughout the year by the Principal. Their report is also finally sent to the Department of Higher Education which decides upon the further promotion of these employees in due course of time. Such appraisals are objectively made by the Principal of the institution. Likewise, the performance of the non-teaching staff is also evaluated on the basis of their sincerity, loyalty, and work throughout the year by the Principal. Their report is also finally sent to the Department of Higher Education which decides upon the further promotion of these employees in due course of time. Such appraisals are objectively made by the Principal of the institution.

## 6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

In adherence to the guidelines of the state government, the college has been conducting internal and external audits on a regular basis.

### Internal Audit

Financial planning and review are done at periodic intervals to maintain transparency in all financial transactions. Internal audit is done by the Financial Committee composed by the Principal. An effective internal audit mechanism assists in the effective function of the institute. The internal audit comprises of Financial Audit (audit of the annual accounts) and a Compliance Audit (audit of transactions).

### External Audit

The external financial audit is also done at two levels:

At the first level yearly audit is done by the Chartered Accountant.

At the second level, audit is done by the Auditor General and the Department of Higher Education, Chhattisgarh Government as per the schedule. These two audits were conducted in the year 2016-17.

The external auditors verify the income and expenditure of the institute. Receipt and payment vouchers of all transactions are duly checked by External Auditors after verifying the income and expenditure statements. The objections (if any) raised by the auditors are communicated to the Principal via the college Accountant and are resolved through the proper and legal mechanism.

#### 6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

For Govt. Colleges most of the funding is done by state govt., UGC, RUSA, Self finance, and Janbhagidari. The state govt. is the leading funding agency for us. Apart from that, the institution also utilizes the amalgamated funds for the activities like sports, cultural events, reading room, augmenting office, and academic infrastructure. The Janbhagidari is a major source of funds for the institution. The proposal for the work is to be put up before the JBS committee, such works are related to infrastructural, campus beautification, security up-gradation, employment of daily wages workers, etc. There exists a mechanism for internal and external financial audits. The internal committees, constituted by the Principal of the college verify cash book, stock, and DFC. Every year as of 31st March, various physical verification committees are constituted furniture, Central and Departmental Library, sports, store, LABs, and other offices. Audits of UGC funds, Janbhagidari, RUSA, and Red Cross are carried out by a local CA hired by the Principal. Govt. funds are audited by the departmental auditors from the Department of

Higher Education and AG offices. The audits of RUSA, UGC, Red Cross and Janbhagidari have been completed up to the previous financial year.

## 6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The Internal Quality Assurance Cell is one of the prime committee of the institution which governs almost all the areas related to the quality improvement and assurance in the institution. Though the Principal is at the helm of all the affairs of the institution yet one of the teachers of the institution is entrusted with the duty to guide its functioning. The cell consists of the teachers from almost all the departments of the college. Some members are from the alumni, industry, society, parents and from the students. The IQAC conducts at least three meetings every year. The meetings decide the agenda or goals before the institution to improve its quality in various areas. The minutes of the meetings are decided and after the meetings the resolutions are adopted and also the ways of their implementation is discussed. The IQAC has indeed contributed significantly in institutionalizing the quality assurance strategies and processes. Construction of a museum for the display of Chhattisgarhi art and culture, creating a Smart Room providing additional LCD projectors, N-List Renewal, annual exam (Offline/Online Preparation), encouraging maximum ppt presentation during PG students seminar, feed back from stakeholders (from Online Google Form) and Student Satisfaction Survey (SSS).

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

The IQAC is one of the most important committees composed as per the norms of NAAC, which tries to ensure qualitative improvement and assurance in the college. It works under the chairmanship of the Principal. The cell consists of the teachers from various departments of the college, alumni, students, members of local society, and administration. The IQAC conducts 3-4 meetings in a session to decide the agenda and the goals before the institution to ensure quality in various fields. Thus IQAC has been playing a consistent and significant role in institutionalizing, quality assurance strategies and processes. IQAC has always been insisting upon the use of ICT in teaching-learning and has also been encouraging teachers for the publication of quality papers in research journals and ensure the maximum number of teachers participating in National, International, Seminars, Conferences, workshops, etc. Teachers are also encouraged to write chapters in edited books and to attend their Orientation/Refresher courses in time. The cell also works for the administrative reforms and the creation of a good academic environment in the college. It also suggests various developmental works required to be undertaken in the college for better office management and ease of functioning of the institution.

**The college has established an integrated sustainable waste management approach that minimizes waste production and handles the diverse nature of wastes generated from the academic buildings.**

**Solid Waste Management: The institution has a robust system to dispose of its solid waste.**

- **Separate bins for different types of waste are placed throughout the campus at important vantage points for proper collection and segregation of wastes. This prevents any intermixing of wastes and is beneficial in the utilization and recovery of components through sustainable waste management.**
- **As per the green protocol, the college optimizes the usage of paper by using technology for information sharing and documentation. Office automation has contributed immensely**

towards reducing paper waste.

- The other solid wastes from labs (glasswares, wires, etc) are segregated and collected in bins. These are disposed of as per the Govt norms.

#### Liquid Waste and Hazardous Chemical Waste Management

- The college has the rainwater harvesting system.
- Chemicals from laboratories are disposed through a soak pit
- Experiments involving hazardous chemicals are usually not implemented but non-hazardous chemicals as substitutes are used.

One of the main outcomes of the programme is to transform our students into responsible and dutiful citizens of the nation. The institution conducts various programmes to sensitize our students and employees towards constitutional obligations like healthy human values, rights and responsibility of a citizen. Various programmes related to the above, Constitution day, National Human Rights Day, Voters Day, Gandhi Jayanti, Teachers Day, etc. are organized by us to spread the message of the importance of the values, duties and responsibilities of the citizens. Such programmes are organised not simply for the students but also for staff members to inculcate such constitutional values. Many programmes are organized in the college to create awareness about the rights of women and domestic violence, etc. Guests working in these fields are also invited to deliver their valuable talks on these important topics. The commemoration of the birth anniversary of great personalities gives us opportunities to learn the messages of their life and work. The institution promotes the feeling of harmony and brotherhood among all its stakeholders.

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Govt.M.G.P.G. College plays a distinctive role in inculcating a sense of responsibility towards the constitutional rights and duties in the students. The programs that are organized, the sessions that are held, and all other interactions within the college ensure that students develop a sense of value as individuals and learn to respect diversity and build relationships based on mutual respect. In order to build this environment. Committees like the Discipline committee, Anti-ragging cell, Women and Equal Opportunity Cell inculcate respect for law and judicious activities in students. Students are also guided to take Pledge for cleanliness in the form of Swacchta Shapath Pledge, Unity day, Ban the use of Plastic and Tobacco, Prevention of Aids, Participation in Social rallies, Participation in SVEEP activities during elections. Constitutional obligations, values, rights, duties, and responsibilities of citizens are also inculcated in the students during NSS and NCC residential Camps. Activities organized in the adopted village Bamhanpali and in the neighboring villages and communities are also aligned along these lines. The College organises the following activities to ensure that the students adopt the values of a responsible citizen.

## 7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

### BEST PRACTICE 1: Sports

The object of this practice is to tap and encourage the participation of girls in sports activities. This College is located in the tribal domain region where the girls coming from these rural areas are physically very strong and take interest in sport activities. Taking advantage of the local community and their interest the institution started this practice to guide them and motivate them for making develop their skill in the field of sports. Sports officer in the beginning of the session identify such potentials and makes students familiar with the area in which seats are reserve for the outstanding sport personal in Government jobs.

### BEST PRACTICE 2: Learning Beyond Classroom

Learning is a continuous process and is not confined only to the classroom teaching learning of conventional method. The teachers of the institutions provided study materials to the students and guided them about various educational sites for the free access of the online study materials. Keeping into mind the advantages of this learning beyond class, the institution decided to continue this as one of the best practices. This methodology is different from the conventional teaching which was based on repetition and memorization. It allows students to develop and to keep them engaged with a broader range of soft skills, team work and leadership.
