It is certified that for the execution of the official works in the college, the arrangement of Jio-fi, dongle, computer, laptop, net facility SIM etc. has been made in the college. Our institution has fourteen sets of computer/laptop in the college. Out of which the 10 sets are updated working. Being in the tribal belt we have no Wifi system. We tried for it twice but due to belonging to an institution in the tribal belt the Wi fi setup has not been provided. Even though the institute has generated the i-net system through the Dongle since 2015 till 2019. Then the Jio Fi system has been adopted for the maximum benefit of the learners and the staff.

The College has newly 2 dongal + 1 existing dongal = 3 in 2016-17, (3 MBPS)  
The College has newly 1 dongal + 3 existing dongal = 4 in 2017-18, (4 MBPS)  
The College has newly 0 dongal + 4 existing dongal = 4 in 2018-19, (4 MBPS)  
The College has newly 0 dongal + 4 existing dongal = 4 in 2019-20, (4 MBPS)  
The College has newly 2 Jio Fi and + 4 existing dongal = 6 in 2020-21, (6 MBPS lumsum)

Jio-fi works through these SIM numbers-

8305340478 (purchased on 14/02/2021), 7999619236

Except these, Dongal or personal mobile hotspot also works in college through these SIM number-

9685671975, 7869094301, 9098763239, 9039495794
