

**Identification of Slow and Advanced learner in UG English Foundation Course.**

In the College Extra classes are conducted for slow learner. In the regular classes, student fails to understand the subject, such students are admitted to a remedial classes. It focuses on basic Concepts, develop better study habits (i.e. preparing notes, etc.) and to develop confidence in the Students for respective subject. Extra classes' helps to close the gap between what a student knows and what he is expected to know. In our college, students are coming from different family backgrounds with different living standards. There are some students with high learning ability who can grasp quite fast and learn better but there are other students who needs frequent guidance and support. To make pace with the fast learner, our department of English has conducted some extra classes on regular basis for slow learner. Apart from regular classes, Teacher arranged extra classes on request of either students (slow learner or advanced learner) or mentor.

**Objectives**

- 1) To boost up the confidence of slow learner students and to realize their weakness.
- 2) To enhance the skills in respect of learning process.
- 3) To remove the scare about English Language.
- 4) To make the equal level of slow learner and advance learner.
- 5) To motivate for an innovative and creative mindset.
- 6) To organize the workshop/seminar/guidance program for slow learner.
- 7) Help to understand paper pattern, question pattern, etc.

**Strategies of Weak Students Identification**

Following key points are considered to identify the slow learner and fast learner.

- 1) By asking the oral question in the class room.
- 2) Mark obtained in the class unit test.
- 3) To check their home assignment.
- 4) As per previous university/Board result.

**Remedies For Slow Learner**

- 1) Separate classes are conducted for them and fast learner students are also welcome in this class.
- 2) Personally help to students for difficult topic.
- 3) Easy class test are conducted to motivate the slow learner.
- 4) Some topics are explained with practical so that it make easy to understand.
- 5) Some topic start from basic concept.
- 6) Teacher give hint related to topic to remember.

**Provision for Advance Learner**

Advanced learners are identified on the basis of their performance in the class as well as class tests. The department of English encourages advanced learners by -

- 1) Organizing experts' lectures so that such students can get advanced knowledge.
- 2) Encouraging the students to participate in value added courses, content beyond syllabi

**Programs.**

- a) Special guidance is provided for additional skill developments.
- b) Motivate the students to take part in college seminar, university level exhibition, Research Festival etc.

- c) Departmental website is created where useful link is made available for knowledge Advancement.
- a) Surprise test are conducted. Methodology to Implement the Remedial Class  
 Teachers identify the slow learner in regular classes and make the list of them. English department declare notice and time table for remedial classes after covering the 80% of syllabus in regular class. During the extra classes, teacher observed the students' progress by performing following activity:
  - i) Asking oral question in class.
  - ii) To Conduct the test exam in the class.
  - iii) By giving assignment.
  - iv) Arranging Group Discussions, if necessary.

Orientation:

Government Mahatma Gandhi College Kharsia is located in a tribal area and the students enrolled are mostly first generation learners, hailing from remote villages. They complete their Higher Secondary School of Education from the nearby government schools under vernacular medium. To bridge the gap between higher secondary and tertiary levels of education, an Orientation Programme is being organized for three days where they are oriented by faculty and senior students to break their ice and come out of their comfort zones feel comfortable in the new environment.
